### **Motion 12-01**

Change to policy (page 15, chapter V111, item G) Add the following to responsibilities section; “To record and maintain all policy in an appendix. The policy document shall be updated once at the end of term form updates in the appendix”

**By: Robbie G.**

**Seconded by: Gary D.**

**Intent:** Concept B. our service structure depends on the effectiveness and integrity of our communications. Basically what this means for us is that the policy document will be changed only once per calendar year to avoid multiple versions being published throughout the year.

**Results: Back to groups**

### **Motion 12-02**

Region is asking that the CAR workshop be combined with the Bay Area and Tampa Area to be more cost effective. They have asked each area to help provide something and the Suncoast Area was asked to purchase sandwiches for 50 people. The cost of this will be \$100.

**By: Roger S.**

**Seconded by: Gary D.**

**Intent:** The CAR workshop is the Conference Agenda Report. This workshop is presented to provide information about service and how to better be able to help serve the addict who still suffers. It's a great workshop to teach GSR'S how to bring back information to their home groups.
